Sure Comfort USA
5600 Old Greenwood Road
Fort Smith, Arkansas 72908

Rheem Sales Company, Inc. manufactures the Sure Comfort brand of residential heating & cooling products. In keeping with its policy of continuous progress and product improvement, Rheem reserves the right to make changes without notice.

Simplified Install & Service *with* Bluetooth Technology

Built-in Bluetooth connectivity makes it faster and easier for your contractor to install and service your new furnace. This can help lower your costs and help make your home comfortable again—fast.

A History of Innovation

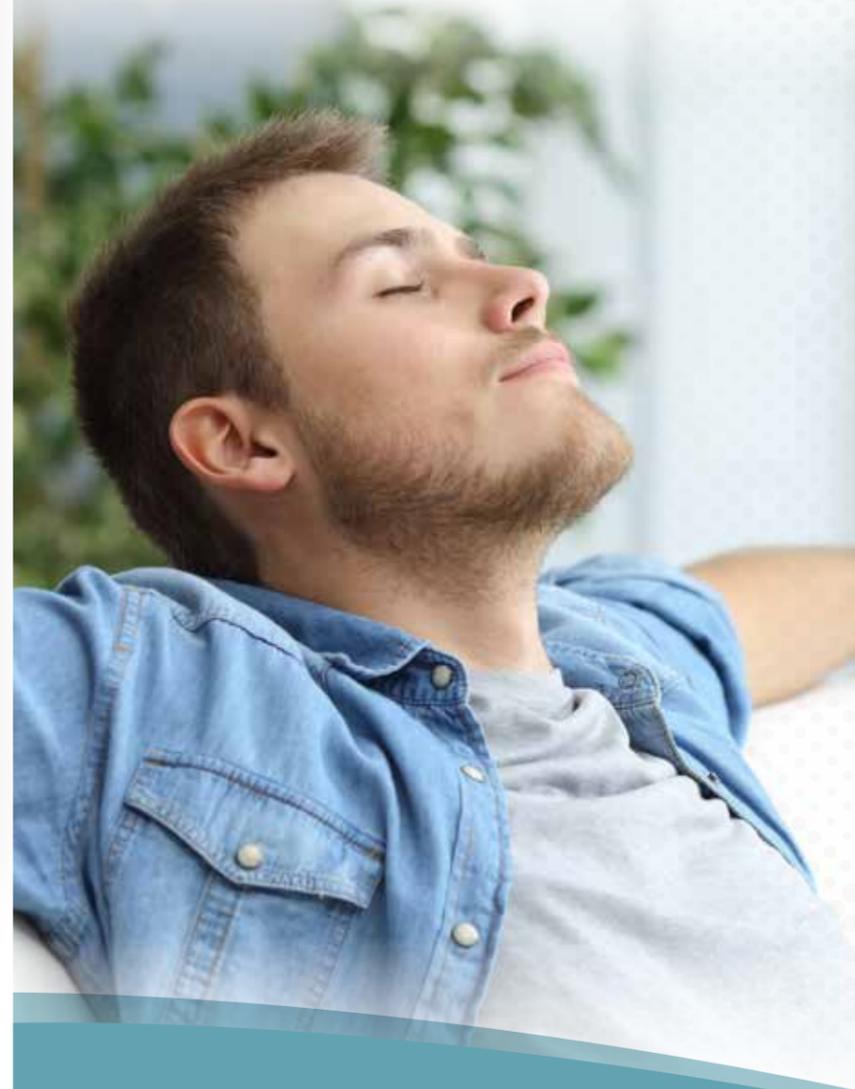

We are proudly backed by nearly 100 years in the HVAC industry. We continue to give homeowners and business owners the innovative products that meet their needs and budget to keep people comfortable day after day—just as we've done for nearly a century.

¹Registration is required for the conditional warranties. For complete details of the limited and conditional warranties, including applicable terms and conditions, contact your local Contractor or go to SureComfort.com for a copy of the product warranty certificate. ²Based on manufacturer's furnace offering, and the product's heating stages, motor type and cabinet insulation. Sound levels are also dependent on furnace location and installation. ³Per EnergyStar.gov, when compared to a standard 80% AFUE gas furnace. ⁴Proper sizing and installation of equipment is critical to achieve optimal performance. Ask your contractor for details or visit EnergyStar.gov.

HIGH PERFORMANCE COMFORT.

Gas Furnaces
S962V

VANTIX™

Sure Comfort® Vantix™ Line

The Sure Comfort Vantix Line S962V is ENERGY STAR® certified, offering one of the highest efficiencies available today. That means you enjoy consistent comfort while watching your utility bills go down.

SureComfort.com/Vantix

SMART DESIGN MEETS HASSLE-FREE DEPENDABILITY

Innovation You Can Count On

Patented industry-first features and advanced design make the Sure Comfort® Vantix™ S962V a smart choice.

Peace-Of-Mind Performance

Relax, you're covered by one of the best warranties in the industry¹— 10 Year Parts + Limited Lifetime Heat Exchanger + 10-Year Conditional Unit Replacement.

Quieter Operation

Cozy and quiet vibes are guaranteed with our insulated cabinet and truly variable speed airflow technology—giving you one of the quieter furnaces available².

Energy Efficiency Savings

Higher AFUE (Annual Fuel Utilization Efficiency) ratings mean more energy savings and this 96% AFUE, ENERGY STAR® certified gas furnace is close to perfect when it comes to efficiently converting gas to heat—offering up to \$85 in annual energy costs savings³ and potentially even more with available rebates.

Genuine Comfort

Two-stage heating operation and variable speed motor technology ensure a steady stream of just-right heated airflow to maintain your comfort level preference while providing superior humidity control.

Helping You Live Both Comfortably and Sustainably

Many Sure Comfort products have sustainability features, but the S962V has earned our Sustainability Standout Seal, indicating it's among the best of the best. We created the Seal to help you more easily find the products that save energy, save money and save the planet.

Among Furnaces, This One's a Star⁴

Earning ENERGY STAR® recognition means products meet strict energy efficiency guidelines set by the U.S. Environmental Protection Agency. ENERGY STAR certified heating and cooling equipment can enhance the comfort of your home while saving energy—which saves money on utility bills and protects our climate by reducing harmful carbon pollution and other greenhouse gases.
